Rules Captains

This program requires every team to have at least one Rules Captain. Rules Captains must attend a Rules Clinic, then re-certify ever online quiz.

✓ Corey Draper

Your Rules Captain certification is up to date.

Leave Team

Captains are not permitted to leave a team. To switch the captaincy to another player, please contact us.

Further down the page you'll see the link to make your team payment.

Rules Captains – this area will display a few things. If you don't have access to take the quiz it will prompt you to contact me.

If you already have access the link to take the quiz will appear here.

If you have passed the quiz already the info will appear as it does in the example.

“Rules Captain” status is attached to each person's profile. It doesn't have to be the team captain.
