### **MODS Spring Discovery Junior Ultimate Event**

When: May 7<sup>th</sup> games starting at 9am (schedule specifics TBD)

Where: IJL Ultimate Park in Maple Grove

Who: This is for Middle and High School Teams

Cost: This event is free and has no fees

Format: This one-day event is not a tournament but rather an opportunity to get in multiple games in a day to help prepare for the Junior Provincial Tournament at the end of May. Games are played with mixed rosters. See the Ultimate 101 document for more info on team rosters and rules.

Who can register: Any school based team, in the Middle and High School age groups. There is no registration option for individuals.

Registration will begin online on April 4<sup>th</sup> (link to be added).

Rosters: Teams competing in our school league or Provincials do not need to add a roster to this event, just complete the team registration process. If this is your only event with MODS then you must add all of your players to the event roster. If you are not familiar with process, you can view the “Registration Help Document” on the School Leagues and Events page.

Whether this is a tune up for your season or the culmination of other Ultimate related activities it's a can't miss event to develop your team and players.

What MODS provides:

- MODS creates the schedule
- Provides free access to our Ultimate fields (lined and coned) and parking lot
- Access to port-a-potties and handwash stations
- MODS will have a staff member from MATA on hand to assess injuries and act as a first responder.

What teams should bring:

- Water
- Food
- Sunscreen
- Two options for jersey colors
- Discs and other needed equipment

If you have any questions, please reach out to [Corey](#)

MODS will offer a Fall Discovery event for interested teams on October 1<sup>st</sup> to prepare for the annual SJR "Hold Back the Snow" tournament later that month.
