

## MODS – Athlete Financial Assistance Form

MODS is dedicated to helping out as many athletes and their families as possible. We are able at this time to offer an Athlete Financial Assistance Program which allows individuals and business in the ultimate community to donate to MODS knowing 100% of their funds will go towards helping those in need with sport and programs that we offer year-round. We are also able to put government grants through our Sport Manitoba Bingo Allocation to this program to help give it an annual base of funding.

Please fill out the form and know everything you write will be kept private and in confidence. Our goal is to help your through sport.
