--------------------------------------	--	---

1. PURPOSE

This policy is meant to standardize MODS' approach to collection of program fees and membership dues, including penalties for non-payment or tardiness of payment.

2. POLICY

2.1. DEFAULT TIMELINES

Unless otherwise specified:

- 1) All program fees (e.g. team fees) are to be paid in full by the published fee deadline date for the program.
- 2) Individual membership dues are to be paid prior to participation in any MODS-endorsed programming for the year in question.
- 3) Guests who do not reside in Manitoba may purchase a rural membership.

2.2. NON-PAYMENT / TARDINESS OF PAYMENT

Where program fees or membership dues are not paid in advance of specified deadlines, MODS' staff will prohibit teams or individuals from competing in the program not paid for, until such time as fees are paid in full.
