# Fill in this very simple form

- If you want to use a team profile from a previous season, use the drop-down arrow in the existing team line (where it says create new team) to select the team. Or just add your team's name if it is a new team.
- **Select your role (most likely captain)**
- Preferred Tier gives you options from Tier 1 to 10 plus the new Vintage Rec and Intermediate.
- **For the start of the season, we use smaller tiers. 1 & 2 would be "A", 3 & 4 would be "B" and so on. Vintage refers to 30+ teams.**
- You must select two different colors for options. You can't be white and white; that will cause an error that makes you reselect it.
- **Click "Create Team"**
