

## Manitoba Organization of Disc Sports

---

### MODS COVID-19 ROSTER SHEET

This form is to be completed before half time of your game at IJL Ultimate Park. Please hand this form in to MODS staff at the park so they can verify your roster and to give us a record of who was playing during the game in case we have a COVID-19 outbreak and need to begin contact tracing for member safety.

Please also note, when MODS employees are checking the roster with your team, they will try not to interfere in the game or distract anyone, however MODS does reserve the right to speak to the captain in case there are any questions or directly ask any member to provide photo ID (when checking the roster). Therefore, captains should notify their team members that they need to have photo ID with them at the field when playing this summer.

**Day of Game (please circle one)**

Monday            Tuesday            Wednesday            Thursday

**Team Name:**                      **Captain Name:**                      **Date:**

**Field #**                                      **Opponent:**
